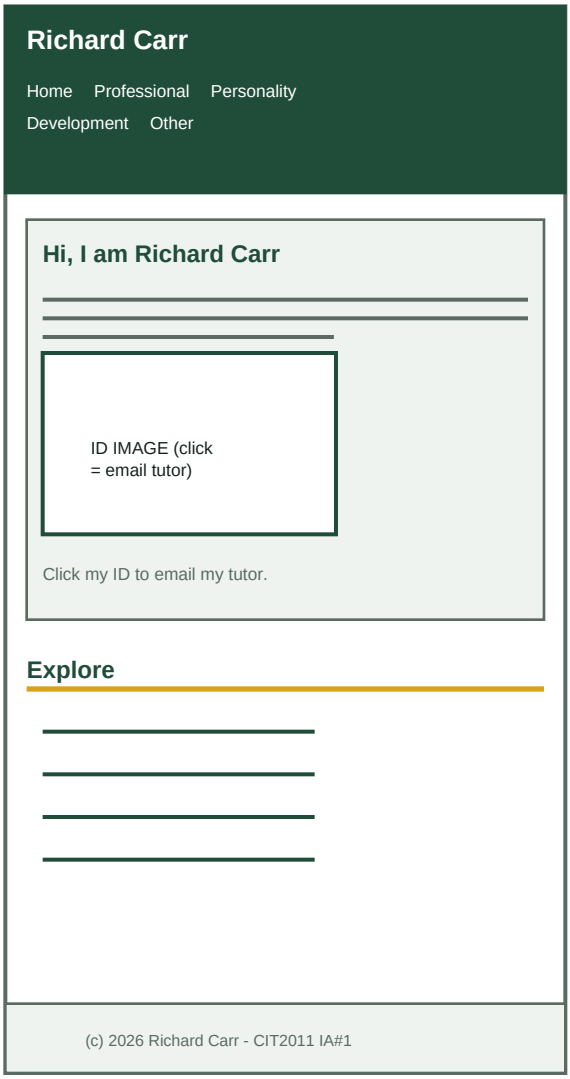
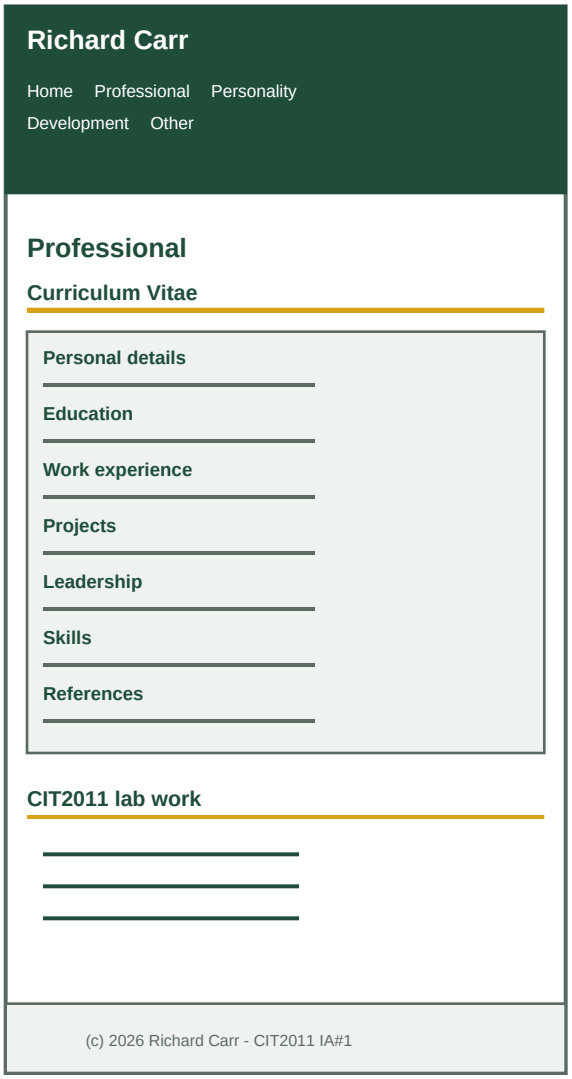
Storyboard: Mobile layout

Single column, stacked top to bottom (screens under 600px wide, drawn at about 375px)

HOME (index.html)



PROFESSIONAL (professional.html)



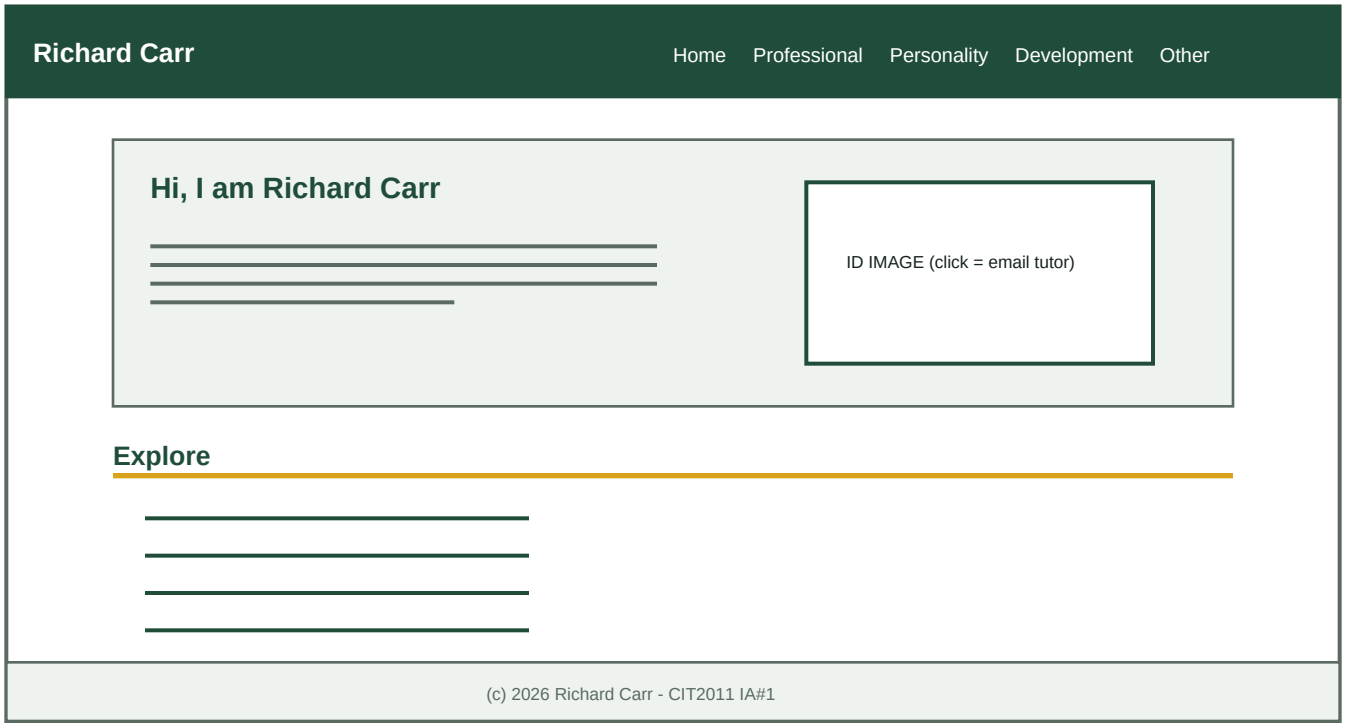
Notes

- Header: green bar, name on top, navigation links wrap onto two lines. Same on all five pages.
- Content: one column. On the Home page the ID image sits under the intro text.
- All pages: footer with copyright line at the bottom. Text stays readable with no sideways scrolling.
- Other pages (Personality, Development, Other) use the same header, single column and footer.

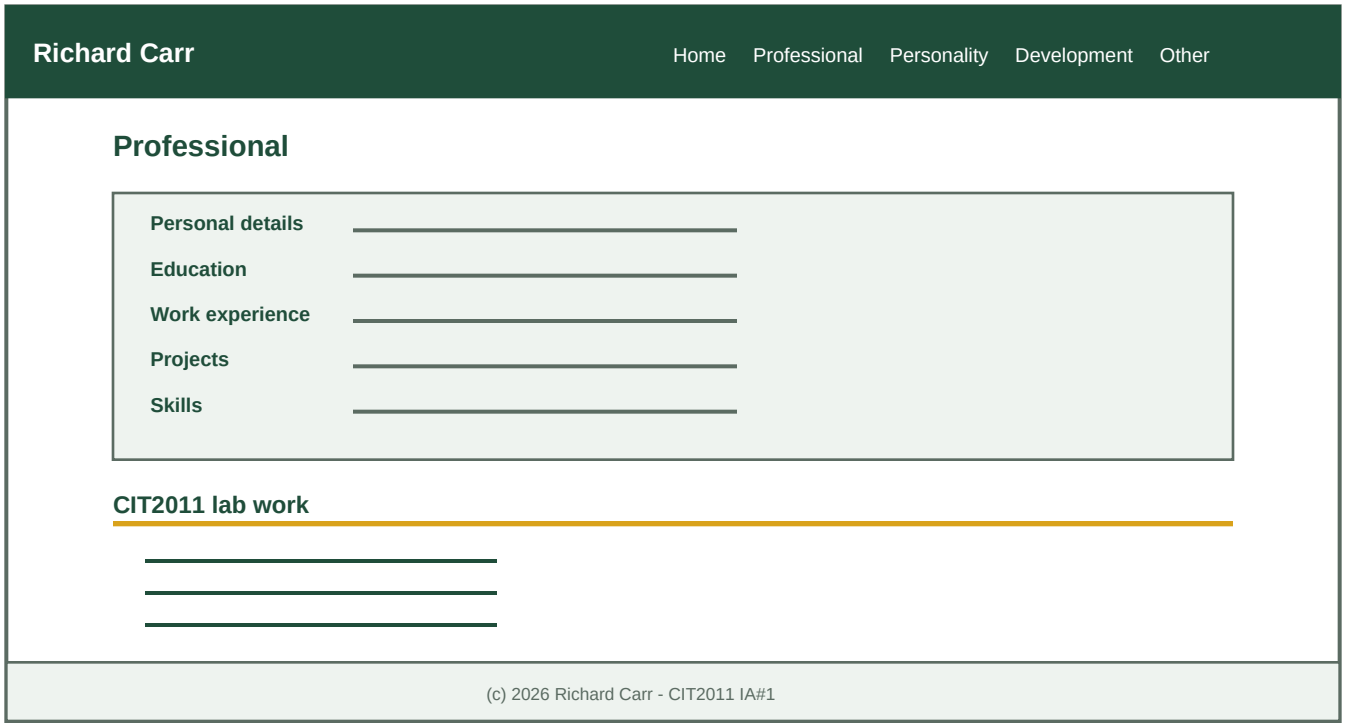
Storyboard: Desktop layout

Wide layout for screens 950px and up, content centred with a maximum width

HOME (index.html)



PROFESSIONAL (professional.html)



Notes

- Header: name on the left, navigation links in a row on the right (same on all pages).
- Home: intro text on the left with the ID image on the right, side by side, then the page links.
